

CONDUCTIVE PLASTIC 3 TURNS TYPE

MC series

RoHS compliant

Basic construction

Conductive plastic 3 turns type

FEATURES

- Compact size
- Fine setting is possible
- Long life
- High following characteristics
- High resolution (Essentially infinite)
- RoHS compliant

PART NUMBER DESIGNATION

MC1003-000-502

Series name

Nominal resistance value (Ω)

502 : 5 k
103 : 10 k
203 : 20 k

LIST OF PART NUMBERS

| Nominal resistance value(Ω) | Part number |
|--------------------------------------|------------------|
| 5 k | MC1003-000-502 |
| 10 k | MC1003-000-103 |
| 20 k | Ⓢ MC1003-000-203 |

※ Verify the above part numbers when placing orders.
The products indicated by Ⓢ mark are manufactured upon receipt of order basis.
